EMPOWERING LEADERS THROUGH MINISTERIAL, EVANGELISM, AND DISCIPLESHIP TRAINING

Reaching Unreached Ethiopians for Jesus!

We are Partnering with
10/40 Window Ministries
Targeting the
Oromia Province

Addis Abba, Ethiopia

Ron Kinnear and Herman Hinnsbeeck of Africa Missions with with Dr. Walde and his associate, Pastor Moti in Ethiopia

Recently I had extensive discussions with **Dr. Te Klou Walde** who leads the **Ethiopian Guenet Church's** Missions Department. This ministry is called the **10/40 Ministries**, and focuses on reaching the unreached in the Oromia Province. They have a training centre in Addis Ababa where they train missionaries to help carry-out this vision. They are a faith based organization, but receive minimal support from local pastors and churches.

We presented our concept plan to reach the unreached people groups in the Oromia Province and Dr. Walde and his associate Pastor Moti pledged their full support.

Early in the new year possibly in April or May we plan to take a group of pastors to visit Ethiopia and do prayer walks in the towns and villages that would be targeted for evangelism.

Will you pray and ask the Lord to make it possible for you to be part of that prayer outreach?
