EMPOWERING LEADERS THROUGH MINISTERIAL, EVANGELISM, AND DISCIPLESHIP TRAINING

From Cape Town to Cairo—Tinako!

1,246 Africa Missions Bible College Graduates!

Over 4,000 Leaders Trained To Evangelize!

TINAKO! The Zulu word meaning “it is time!”

The Lord has positioned the Church in Africa for ‘such a time as this!’

Ron Kinnear

During the revival years in the 1970’s and 1980’s in South Africa, there were many prophecies of the fire of the Holy Spirit spreading from the Southern tip of Africa into the rest of Africa. Frequently, these words were mentioned “from Cape Town to Cairo”. These prophecies stirred my heart. It instilled in me an adventurous spirit and I anticipated that I would be part of this drive. I am now witnessing this coming to pass in Africa!

From our perspective, Africa Missions who is now 25-years-old, relentlessly moved towards the north. We worked in all the southern African countries that opened to us. We crossed over the equator and kept going north, and we will soon find ourselves in Cairo!

As a cloud of darkness threatens the face of the earth, the glorious light of the Gospel is spreading over our Continent! Africa has been regarded as the dark continent, but that was yesterday. Today is a new day for Africa. The gospel has taken root. In many countries such as Kenya gospel music can be heard all over the cities and towns in restaurants, private homes, students’ residences, etc. Many churches function according to three self-concepts—self-governing, self-propagating and self-supporting.

The church in Africa has developed. Many pastors are well trained. African theologians have produced training materials and have written books that have taken the Church to a new level. Many denominations and local churches are engaged in world mission programmes. The best is yet to come!

Africa Missions is favoured by the Lord to have made a spiritual contribution to the development of the Church in Africa!
