EMPOWERING LEADERS THROUGH MINISTERIAL, EVANGELISM, AND DISCIPLESHIP TRAINING

Praying, Planning, Going...in His Power!

To empower the local church to grow itself in AFRICA!

Hello dear friend,

Like you, we have had great challenges, but aren't you glad that Jesus has made us more than conquerors!? The Greater One lives in us and keeps us going and we believe that is the same for you, too!

Ron Kinnear

Africa Missions has a large focus—To empower the local church to grow itself in Africa! To help make this happen, one of our focuses in the last few years is to get our portfolio committees up and running more effectively. (Be sure to see the chart on the next page!)

I'm glad to tell you that **Thabo van Wyk** is now Africa Missions' **Director of Portfolios**. He has traveled in Africa visiting and conducting leadership training in the different countries for Africa Missions and is well able to lead in this area.

Thabo van Wyk

Thabo is also working on a new project in South Africa. It will be a 4-month training experience for young people who are 18 to 25 years old, that will focus on Youth Work and Missions. We will be telling you more about this exciting venture very soon.

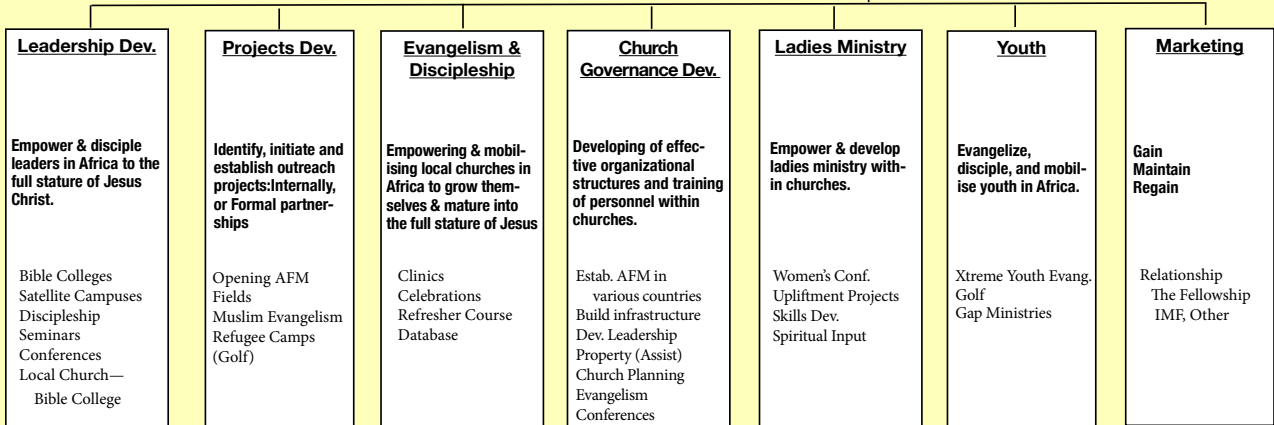

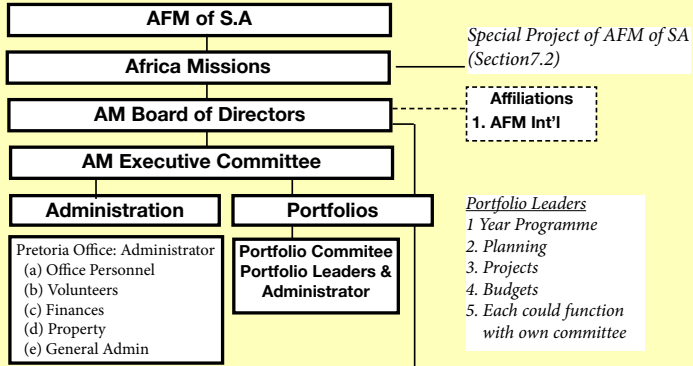

You are of God,
little children,
and have overcome them, because
**He who is in you is greater
than he who is in the world.**

—1 John 4:4 NKJV
