Goals Exceeded!

The atmosphere is charged with Heaven and earth rejoicing as the pastors/leaders gather to report the people they have lead to Christ. Every year end, one by one the beaming faced enthusiastic evangelists charge to the front to write their Heavenly accomplishments on the white board to add their statistics with eternal results. The excitement is through the roof!!!

2007-2010/ 3 years

2007-2013/ 6 years

2007-2016/ 9 years

Ron's Soul-Winning Criteria

1. Gospel must be presented one-to-one
2. Gospel must be understood before accepting Christ
3. Person must be followed up
4. Person must be discipled
5. Person must be church nurtured

Prayer Request: see page 3

Seven years ago, God nudged me to publicly stretch my evangelism goals to help reach the 2 billion people who have never heard of Jesus. He propelled me far beyond my own thoughts and dreams to win 20,000 brand new converts in 3 years. Fervent prayer to get His wisdom for this to be accomplished lead me to use the Evangelism Explosion program deep in the heart of Central-East Africa—in Burundi, Rwanda, DRC (East), Tanzania and Uganda.

These new converts must have been presented the Gospel one-on-one, personally trained, discipled, and church nurtured to be in Africa Mission's count. The result of our first 3 year goal of 20,000 was exceeded by an amazing number of 26,000!

And now in our sixth year of this program, with wonderful trainers Herman Hinsbeeck and several others whom we hand trained and have gained much experience as they implemented EE3 in their own local churches, we had to keep lifting our goals higher—our 50,000 former goal was lifted to 80,000 which was exceeded by the actual number of **83,562 new converts for Christ in the last 6 years!!!** Praise the Lord!!! New brothers and sisters with whom we will spend eternity!

New Satellite Campus Opened

Burundi— In September **Wayne Gardner** from the USA and **Peter Mbokwane** from South Africa assisted in opening a new satellite campus in Burundi. We are truly indebted to both of these brothers for their labors of love to equip 20 young men called to the ministry. The students successfully completed three of ten modules. We want to express our heartfelt gratitude to both Wayne and Peter.

Rwanda—Praising the Lord for the combined total of 83,562 new converts for Christ! Celebrations took place in various countries and a representative from each country met Herman Hinbeek, Willie van Zyl and Fanus Du Plooy in Kigali, Rwanda to give their reports. (The celebration in Rwanda is pictured below.)

Please pray...Our heart is to go into Southern Sudan

Ron's vision and burden is to plant 500 churches there within the next three years.

South Sudan—The launching of a new church planting initiative in South Sudan is imminent! **Hennie Hanekom** who is the founder of *Africa Vision Foundation* widely opened a door at a summit where Ron could share his vision and burden to plant 500 churches within the next three years in South Sudan. 65 mission organizations were present. Several indicated their interest in becoming partners in this venture with each bringing their own flavor and expertise to the table to compliment the vision of planting churches wholistically.

The goal is to present a program to the government of Sudan in January 2014 for their approval, embark on a fund-raising campaign for this project, and commence with the church planting program in July 2014. Much has to be put into place and we covet your prayers to insure the success of this venture. **Our goals are:**

- 1. To plant 500 Churches**
- 2. Empower 750 Pastors to grow their local churches**
- 3. To win 30,000 souls** (First-time decisions for Christ)

**Pray for us, support these projects financially, and rejoice with us as we bring in the HARVEST together!
Thank you for your kind assistance to spread the Gospel of Jesus Christ into all the world!**

You have helped to make things happen,
