## Thank You from Rwanda!

The work in every respect is enjoying the Lord's favour especially the Bible College in Rwanda. **We have 51 students at the Bible college in Kigali, Rwanda. They represent five nations; Rwanda, Burundi, D.R. Congo, Uganda and Tanzania.**

### Our Students Evangelize

These students are very grateful for the opportunity to study God's word and to be equipped for the ministry. When the student numbers were lower we could afford meat twice a week. Meat is no longer part of their diet and beans have to suffice. Despite this, they all gain weight! The training program is fully sponsored by ourselves. Many of the students are exceptionally bright.

They all have a deep sense of calling upon their lives. **Evangelism Explosion is one of our main courses. During the past few months the students have won 600 souls to the Lord.** This is what "equipping the saints" is all about.

### Great Campus Development

Our building program to develop our Bible College campus has been placed on hold. **The owner of the facility we are presently renting has made us an offer hard to refuse. The facility has room enough for 50 students, 3 class-rooms, a 4 bedroomed house and offices plus water and electricity. We can get all this for \$25,000! Your prayers will be greatly appreciated.**

## Wonderful New Furnishings

Due to the increase in student numbers a WME donation from Pastor Ronnie Ball's Church in London, Kentucky towards furnishings was greatly appreciated by the students. The principal bought beds, chairs, tables and a television. The T.V. was the only luxury part and the students had to raise 25% towards it.

## Grateful Viewers

Soccer fever has gripped the Continent of Africa. The World Cup is on in South Africa and the whole of Africa is watching. The students are very grateful that they can watch the games on the campus. Previously they had to walk for several miles in one direction to watch a T.V. program. (The USA Soccer Team performed very well. You can be very proud of them.)

In the U.S. please send donations to Africa Missions, 4144 Howard St, Muskogee, OK 74401. If you know of others who would also want to receive the Africa Missions Update, please email Gary Gilmore at [afmiss@ymail.com](mailto:afmiss@ymail.com).

## THANK YOU!

*Thank you for your prayers (especially about the Rwanda campus opportunity), your financial support and for your love for us, for Jesus, and for the world. Together we are making a big difference.*

God bless you all,
