

AFRICA MISSIONS Update

October 2009

The *Something Extra* Project

In our quest to bring in a harvest of 20,000 souls within three years more than 12,000 souls have already been birthed into the Kingdom of God.

To fulfill Jesus' commission we realized that we would have to do "something extra." So in 2007 we started the *Something Extra* Project, training pastors and church leaders in personal evangelism using Evangelism Explosion. Then these leaders not only win people to Jesus, but also train others in their church to win souls, too.

From Burundi, Rwanda and Uganda reports are coming in about the progress being made to bring in the harvest of 20,000 souls for our Lord and Saviour, Jesus Christ.

A woman pastor attended an Evangelism Explosion clinic we presented in Kampala. She pastors a church in a deep rural area close to the border of Rwanda. Within 5 months her church grew with 30 members!

Pastor Sandi comes from a large village south of Ntungamu in Uganda. After he attended an Evangelism Explosion clinic in Kampala, he trained some of his members. One of his members caught fire and this is her testimony:

"My pastor went to a conference in Kampala. When he returned he taught me how to win souls for Jesus. Now I am doing something meaningful for my Lord. He uses me to win souls for him! Hallelujah!"

In our quest to bring in a harvest of 20,000 souls within three years (2007 to 2009) more than 12,000

souls have already been birthed into the kingdom of God. 664 Pastors and church leaders have been trained and hundreds of local churches have been empowered to "grow" themselves through soul winning.

We need to train 200 pastors before the end of December. The cost of a 5 day seminar which includes meals and accommodation is \$30 per pastor.

Will you do *something special* and help us with this project? Thank you so much for your prayers and your support. May God richly bless you.
