

Christmas Greetings!

To You from Africa Missions

The Angel said to the shepherds:
**“Peace on Earth and Goodwill
to ALL MEN!”**

This is what we have endeavoured to accomplish throughout 2012. I realize that no matter how successful we were, the task is daunting as so many have still not heard..... and must hear! The Good News must be preached to all nations and then, and only then, will the Lord return. Not only must we put CHRIST back into CHRIST-mas, CHRIST should dwell richly in *every* heart.

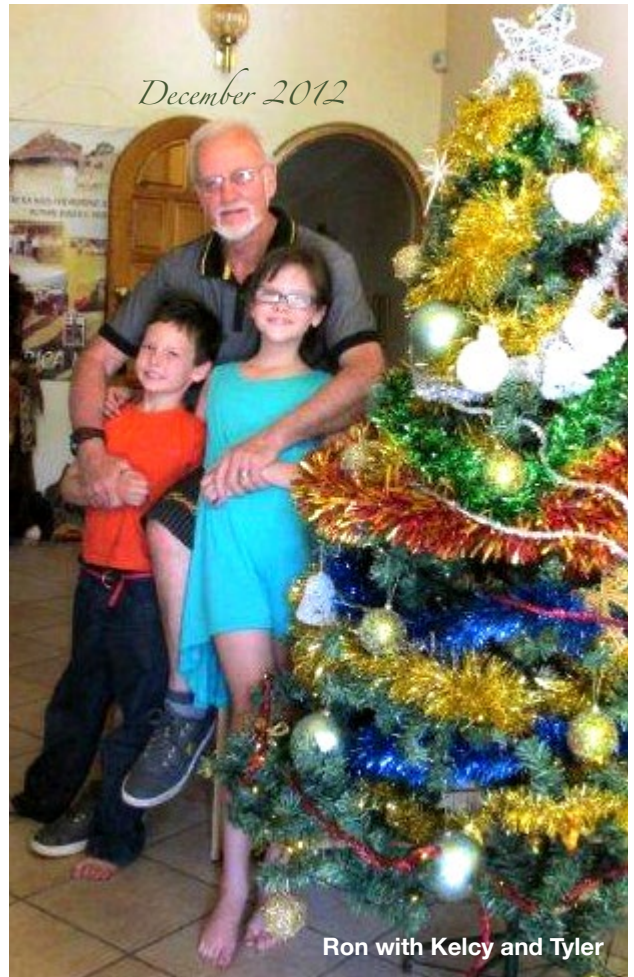

On a personal note Rina and I rejoice for the new arrivals in our family. Our daughter Rosemary and Graham were blessed with beautiful Alexia. Our son Allen and Amy were blessed with adorable Angela. Our cup is full and running over..... and our children and grandchildren are blessed.

Thank you for your love, support and prayers. We love and appreciate our supporters very much.

Have a very blessed Christmas and be prospered in Him throughout the New Year.
