Blessed By Our Sons and Daughters in the Ministry

Our greatest joy is to see hundreds of the Lord's servants enjoying fruitful ministries. We praise the Lord that Rina and I had the privilege of preparing and equipping them for full-time service.

Ron and Rina Kinnear receive gifts and thanks from ministers Simon and Linah Napo for their support and encouragement.

South Africa—Simon and Linah Napo are enjoying a very fruitful ministry in South Africa in a town called Mashishing. After 30 years in the ministry this couple honored Ron, who was the rector of the Bible College they attended—where Simon and Linah met and after graduating, got married. Linah shared with deep emotion how the Lord provided the funds for her tuition. She was deeply grateful to the Lord for having used Ron, not only as their mentor but also for finding sponsors who paid for her tuition. It certainly was one of the best investments ever made in the Kingdom!

Botswana— An organization called *Joining Hands* was started by various mission organizations to promote fellowship among missionaries and to coordinate mission activities more effectively.

- Ron was the keynote speaker at their annual conference in October, and taught on the Centrality of Jesus in our Lives and Ministry. Missionaries did not want to miss one session! While teaching on this subject the Lord gave Ron new insights on how the church could and should bring the Lord back on to the center of the stage.
- Rina led a workshop on prayer. During her sessions the fire fell and many had a wonderful encounter with the Lord.
- **Pastor Jobe Koosimile, who is one of Ron's sons, serves on the steering committee of Joining Hands.** Jobe has taken an active interest in missions and is the overseer of 70 churches in Botswana.

Zimbabwe— Samuel Deverah is also a son, and leads 34 churches in the Mashonaland West Province in Zimbabwe. Ron was the keynote speaker at his conference in Chinoyi in October. The Lord richly blessed the ministry and moved in a powerful way. Over 1000 people attended the conference.

King's Daughters Of Excellence Breakfast

Rina and her team of ladies had a very successful breakfast in September that was sponsored by Old Mutual Insurance. All the seats were taken and the ministry of **Pearl Kupe** was outstanding. Pearl had legal training and is an Advocate. She has served in several departments of the United Nations as legal advisor. Pearl has influence with several Government leaders in Africa and has become a strong voice in Christian Ethics at home and abroad. The Lord showed up powerfully during her ministry at the breakfast.

Bible College Graduations

RWANDA—17 students have successfully completed their ministerial training and graduated on November 23rd in Kigali, Rwanda.

SOUTH AFRICA—13 students graduated on the 30th of November in Germiston, South Africa.

UGANDA—Herman is in Uganda teaching 32 students. The students will graduate in April 2014 but will finish their training in December of this year.

Satellite Bible College Training

Willie van Zyl will be teaching students in Goma, DRC, for a month ending on December 22. Goma is where a civil war raged for 20 years. There was fierce fighting up to a few weeks ago when the rebels called for a cease fire. We trust the Lord for lasting peace. The locals have suffered greatly and many of our programs were disrupted because of this conflict.
