

Africa Missions' **South Sudan** Album — Section 1

It's Time to Fly!

March 8, 2015—The day finally arrived to go to South Sudan!

Our Next Assignment

*Behold, I will do a new thing,
Now it shall spring forth;
Shall you not know it?
I will even make a road in the wilderness
And rivers in the desert.*

Isaiah 43:19 NKJV

Ron and Rina say goodbye for a while with a loving embrace.

At the Airport in Johannesburg, Ron and Herman had a faithful crew to pray and send them off on this great mission.

Ron Kinnear and Herman Hinsbeek are thrilled to finally be in the plane headed to South Sudan!

Bathed in Prayer—Planning, praying, and believing for South Sudan

Many late nights and early mornings were spent in prayer to get God's heart and direction for this venture. Rina prays in the early mornings, Ron prays into the late hours, and the staff is also busy in prayer before the Lord.

Around this table we have dreamed, and planned, and prayed for South Sudan

Around this table in our conference room Africa Missions team meets and plans. On Tuesday mornings we have a season of prayer. We thank God for His goodness to us! We pray for our team and our families. We pray for our mission, our campuses, our future. We pray for open doors, and needs to be met. We pray for our partners. And of course we are praying over South Sudan for God to do a mighty work there.

Corporate Prayer for South Sudan...

Above, left) Pearl Kupe prays at the IMF-International Ministers Fellowship SADC Summit last November as they broke into groups and prayed fervently for Africa Missions going into South Sudan. (Above, right) The people gathered and prayed for Ron at their cell group.

(Left) Pastors Ivy and Solly Ghoza and Pastor Xavier Obasogie prayed for Ron at the IMF-SA. (Right) The Sunday Ron got on the plane to go, we visited the AFM Church in Magaliesburg where Ron shared his vision and Pastor Rickekrkt Minnaar and his church members fervently prayed for the success for entering South Sudan for the first time.

Thank you to all who prayed corporately and privately. Please keep praying.

Go into all the world and preach the gospel to every creature —Mark 16:15

AFRICA MISSIONS News

From Ron & Rina Kinnear

March 2015

For the last 3 years, I have felt compelled by the Lord to go into South Sudan and 2015 is the year for this birthing!

I was pregnant for Rwanda for 3 years, too, and we entered there in 2006 and now have established a base there with a thriving Bible college. Now the Lord is calling me to strengthen the church of Jesus in South Sudan.

South Sudan, the world's newest nation, has been war-torn, before and after its birth, and is in need of a peaceful environment to flourish and live. Africa Missions is coming to present the Prince of Peace—Jesus Christ—to South Sudan to uplift the pastors by training leaders in personal evangelism to expand the Church of Jesus!

This month—March 2015—Africa Missions is launching our South Sudan Call initiative, empowering local churches to grow themselves in three strategic areas: Aweill, Juba, and Malakal. The training to be offered in Aweill is funded. We have promises for the funding of the Juba training course and we are trusting the Lord to provide for the training of ministers in Malakal.

Each of the 12 Evangelism Training Clinics will cost a minimum of \$4,000. That amount trains 50 to 75 pastors. In the next 3.5 years we want to train 750 pastors, each pastor will cost \$200 to train.

The Plan with Proven Results—We have used this plan with amazing results of over 83,562 church-nurtured, new converts in the last seven years. The total cost for our 3.5 year South Sudan project is \$150,000. Each of the following steps will take place in the three different areas mentioned earlier. (See more on South Sudan on page 3.)

We are launching into South Sudan in three strategic areas: Juba, Aweill, and Malakal to empower local churches to grow themselves through evangelism training.

Our goal is to spread the Gospel in Africa by **empowering the local church to grow itself**

Our objectives over the next 3.5 years in South Sudan are to present **12 Evangelism Training Clinics** that would **train 750 pastors**, bearing the fruit of **30,000 people coming to Christ**, which would lead to **500 churches being planted!** This would lead to a more peaceful and productive land where peace could finally begin to reign in the land.

South Sudan Action Plan:

December 2015—According to reliable sources, the rebel forces led by Machal, who is being supplied with weapons from (northern) Sudan, plans an attack on South Sudan Security Forces in March 2015. **In the same month, Africa Missions plans to launch our South Sudan Call initiative by empowering local churches in three strategic areas to grow themselves.** They are Aweill, Juba, and an area 120 kms from Juba largely dominated by the Anglican Church. The training to be offered in Aweill is funded. We have promises for the funding of the Juba testing course and we are trusting the Lord to provide for the training of Anglican ministers.

We are launching into South Sudan in three strategic areas: Juba, Aweill, and an Anglican area to empower local churches to grow themselves through evangelism training.
