Raising Up Pastors in Central East Africa!

Ron Kinnear

It is a precious gift to see our graduates, who have worked so hard in our Bible Colleges, march across to receive their diplomas! We traveled to East Central Africa to witness 47 of these gifts!

Ledge Saunders

Our first graduation this year was in Kigali, Rwanda, where 10 students graduated with a 3-year diploma. These students will fan out over Rwanda and neighboring countries to plant new churches throughout East Central Africa and beyond.

Ledge Saunders, pastor of Metamorphosis AFM in Witbank, South Africa, joined us on the trip and was the speaker for both graduations.

The very next day, we traveled to the neighboring country of the DRC—the Democratic Republic of the Congo—to our first graduation of our satellite campus there. Thirty seven students proudly and humbly received their diplomas. These are nation changers! Many of these new graduates are already pastoring churches.

These graduates wanted to go higher, and you have helped them! Thank you for your gifts of love, prayers, and finances into Africa Missions!

May you have a blessed Christmas dear partner,
