

Dr. Monty Eloff

Dr. Monty Eloff, a dear friend, contributor, and board member since the founding of *Africa Missions* in 1994, passed away Friday, 7 August 2015, after a short illness. He passed painlessly and in his sleep, but much too soon.

Monty will be greatly missed at *Africa Missions*. He was a driving force in South Africa with his own ministry —books, radio, TV, and evangelistic outreaches. But he always had time to work with *Africa Missions* around the table of the Board of Directors. His advice and concern for the ministry was deep and was always well-presented. Monty never considered himself, but only the advancement of the kingdom of God, whether in South Africa or throughout the continent of Africa and the world.

He was a good friend to all of us here. His laughter was genuine and deep, his care for each of us was deeper and more genuine still. We treasured his presence and his words. He was an evangelist—who was passionate about leading people to the Lord—even leading others to the Lord on his last days in the hospital. He was gifted in leading people into the baptism of the Holy Spirit, and he was an expert on the End Times and taught it very effectively. Monty was tall in stature, physically and spiritually. His heart was to help others.

He is survived by his wife, Marie; his children, Riaan and Leana Eloff, and Jeane-Marie Eloff; and his only grandchild Justin Eloff. His oldest child, Al-Marie, preceded him in death. We would appreciate it if you would, please, keep the family in your prayers during this time of such great loss.

We treasured our time with this mighty man of God!
